SERVICE APPLICATION AND AGREEMENT OVERVIEW

**Service Activation**

To set up service, applicant is required to present Corporation with:

- Signed Service Application and Agreement
- Signed and Executed Right of Way Easement Form
- Proof of Ownership
- All necessary fees

*\* Service will not be activated until all of these items have been presented to the Corporation \**

**Membership**

A \$100.00 Membership fee will be paid for each meter/service.

Property owner of record is the official Corporation Member.

A Renter/Leaser shall not be considered the Corporation Member at any time.

Each Corporation Member shall be responsible to:

- Pay all fees; initial set-up, monthly, non-compliance, delinquent, etc.
- Grant the Corporation 24 hour access to the Members property for any purpose connected with or in the furtherance of its business operations. (Member will give a gate code, key, or allow the Corporation to install its own lock on entrances to allow access at any time.)
- Install and/or maintain water cut off valve on the Member side of the meter and ensure that the Corporation cut off valve not be used.

*\* Member will pay all fees that are owed to Corporation for water that goes through the meter, whether used, leaked, etc. Members will be responsible for any fees due from renter/leaser. Corporation has the exclusive right to liquidate all of the Member's active/inactive accounts in order to reconcile debts on the account. Corporation has the exclusive right to discontinue service to all of the Member's active accounts in order to reconcile delinquent account. \**

**Prohibited Practices**

The Member shall ensure that:

- Each meter only supplies water to 1 business or 1 dwelling.
  - Dwelling – Any structure that is inhabited temporary or full time including; house, mobile home, modular home, camping trailer, out building, barn, shed, etc.
- Each meter will provide water to only the property that the meter is located on.
- There is no extension of pipe(s) to transfer water from one property to another to share, resell, or sub-meter to any other persons, dwellings, businesses, or property, etc.
- No cross connection is established to the Corporation's lines including; connection to wells, chemical tanks, sewer/septic lines, etc.
- No direct connection between Corporation's supply and a potential source of contamination.

**Rules and Regulations**

The Member will follow all other:

- Corporation Rules, Regulations, Agreements, Tariff, etc.
- Local, State, and Federal Rules and Regulations.
